October 2022 - January 2023

SATURDAY WORKSHOPS

The first Saturday workshop was held on October 1st. With the lecture given by Dr. Lisa Dorner, teachers deepened their understanding of teaching multilingual and multicultural students and learned how to develop engaging family-school partnerships with multicultural families.

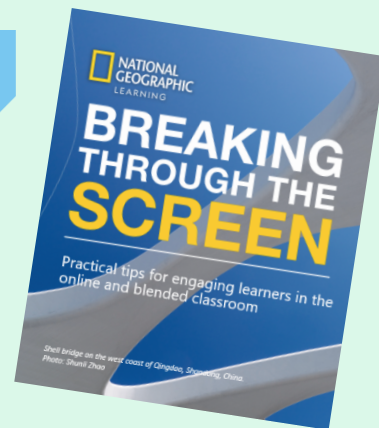

01

The second workshop was held on November 5th and facilitated by Dr. Jered Borup and Dr. Joan Kang Shin. During the workshop, teachers explored PIC-RAT as a useful framework for guiding effective online and blended instruction to engage multilingual English learners through interactive and creative uses of technology.

02

- EDCI 516 will begin the week of 1/23/23.
