

Subject: Parking Info: ACE-STEM Summer Institute 2025

Dear ACE-STEM Summer Institute 2025 Presenters and Attendees,

It's almost time for the ACE-STEM Summer Institute! I hope you are all just as excited as we are!

This email will explain parking at the GMU SciTech campus in Manassas, VA.

Address: 10900 University Blvd, Manassas, VA 20110

Parking is available at the Occoquan Lot, which is right across from Colgan Hall where we will host the event. Please reference the map below:

We have already paid for parking, but **you must register your car using the link below so that Parking Services will know the car parked in this lot is associated with SI 2025.** You will need your vehicle's license plate number and state that it is registered. It will take less than 30 seconds to register your car!
